

## Meet Dave Gillespie

Flying. Driving: All in a day's fun for new SBCC member **Dave Gillespie**. Dave and his wife Karen live on an airfield south of Saskatoon where he stores his stable of LBC's and a Tiger Moth! Dave has always owned British cars, Minis in particular, and today he owns a 1965 Morris Mini Countryman, a 2000 Rover Mini Knightsbridge (one of only 200 built!), a 1952 MG-TD, oh and a Royal Enfield Bullet motorcycle! Dave joined the club after attending Brits by the Bus and before long, he and Karen hosted a Cream Tea on his acreage. He hopes to do this again. Dave spent a good part of his lifetime working as a marketing consultant, but now finds himself with more time to enjoy his toys. Dave and Karen spend their winters in Port Orange, Florida thinking about creative things to do with his little British cars when he returns to Saskatchewan!
